

Family Challenge

This month, we'd like your family to say the verse in the style Mr. Red Blumon chose.

"Lord, you are great. You are really worthy of praise. No one can completely understand how great you are."

Psalm 145:3, NlrV

This week's style: **Upside-down Turtle**

Grab a video of your family saying the verse and share it to your campus' SE!KIDS Facebook group.

We'd love to see it!
